

This is a file that has been 3 years in the making. Almost Every Chuck E Cheeses Pizza Time Theatre store has been documented, and it's all in this file. I would also like to mention the use of Memorial photos. I would like this file as a whole to be a tribute to the ones that have passed away. There's a list of Memorial links above the thank you list, and it would be amazing if you could support them and their families, thank you.
